Bonjour Jeffrey,

Please find attached the study regarding Great Saint James Island. Here
the link to download the plans:

You will find a site plan of the all island with several points,
conceptual, on the island which, I think, are
interesting place.

You will see the new proposal for the house . I have kept the same
general idea but with modifications following
all comments you did.

I haven't done any 3D yet as I would like to be sure you like the
general line of the project.

I am available to talk with you about it .

Hope you will like the general idea of the project.

Best regards.
