**Subject:** Dr. Smallberg is not seeing patients this month

Dr. Kruger's office provided me with Dr. Gerry Smallberg's information, but when I called to make an appt, I was told Dr. Smallberg is not seeing patients this month and they are unsure of when he will start seeing patients again...it is possible next month, but they don't know for sure. I have asked Dr. Kruger if he might be able to recommend someone else for your back.
