Hi Lesley,

I am traveling today through next Wed and my next available free date would be a week from today. Im happy to review his MRI beforehand and if he wishes, he can send any relevant medical records directly to my residence to maintain confidentiality if he so pleases. Otherwise, as part of his evaluation I would need to review these records during our visit. if its difficult to coordinate our respective travel schedules( i am traveling all of July as well) we can do a Sype as well.

What this would entail:

Review of records

Interview and exam

Report with recommendations

Regarding any fees, if I need to travel to see Jeffrey my half day rate is \$2500. If we do a remote consult, \$1500

Thank you,

Dr. Lombard

Good morning Dr. Lombard. Dr. Bard has recommended Jeffrey Epstein reach out to you for your opinion...he would love to meet you face to face in NY Mon. June 18 or Tues. June 19, or if you are traveling and not available could we possibly set a call?

Please let me know...

I can have his latest MRI reports of his back emailed to you shortly...

Thank you,

Lesley
