called comcast

there is an outstanding balance of 279.29 and then they stopped service =ecause of non payment. they said someone needs to return the 3 boxes, =r schedule comcast to come collect the boxes to properly terminate the =ervice. I told them I called in august to stop service as the boxes =ere already there and I was just assuming payment for the year I =ented, etc..

anyways.. basically the boxes either need to be dropped off by Troy or =e can schedule comcast to come pick them up..
