Dear G,

Just a belated note of thanks for a wonderful time in NY. It was great to escape the kids for week. If I could only ditch the wife as well for the next visit .....Once again your generosity was overwhelming. Great apartment, wonderful dinner, fantastic hair (- the wife's not mine!!!) and of course Joseph. If it wasn't for the kids I think Katie and I would emigrate.

As a small token of my gratitude I hope you will accept James Diggines - one of my junior consultants. I have attached a bad brochure photo but he comes up a lot better in the flesh. He is bright, funny and athletic !! Of course if you don't want him please pass him on to the beautiful Hannah - he has a degree in politics which should be a comfort as she was concerned about intellect !! He will be in town first week in April playing in a tournament at the tennis and rackets club on Park . Perhaps a telephone interview in the first case would be appropriate !!!!

Once again many thanks. I look forward to cashing in my rain check with Bill !!
