Dear friends of ffVC —

There's much to recap from what has been a busy first quarter of 2017. Namely, we announced that Ryan Armbrust has been elected Partner, **concluded the first cohort of the NYU/ffVC AI NexusLab, and continued discussing the importance of why we're investing in artificial intelligence.**

We also co-hosted the first Future Labs AI Summit with NYU Tandon and Future Labs, with 550+ attendees and an all-star speaker lineup from Facebook, IBM, CB Insights, Fast Forward Labs, and FirstMark Capital to name a few. Check out highlights from the day here:
