Hi [REDACTED] it would be helpful for me to get the name of the U.S. Geological Survey quadrangle map names so I can pinpoint Jeffery's ranch on a topographic map, and therefore determine the geology before I come to visit. We paleontologists always like to know the age of the rocks we are standing on.

thanks,

Hi Lesley, Yes, please tell Jeffery I would love to see his ranch and that I would be able to come on the 25th or any day after.
