I agree with you and one of my biggest pb is to find smart, competent and loyal people to work with me and help me do the necessary cleanup. Too many subjects colliding and too few people with courage to confront and go the full way

my best advice is to pace your self. just like your boat captains, it is a long long race ahead. too much effort early on, will make it much harder to compete the task at hand. stealing incompetence is going to be found in many places and drive you crazy. focus on big long term strategy. DOJ, David NAdine , regulators and bengjamin are real dangers. new biz. compliance . theft attitudes will take time . staffing is going to be killer
