Dear Jeffrey

The moulding will be painted as the ceiling, I had an idea =or the walls but I need to know from Antoine (Meriguet) if the =eather is not too thick for the decor, if it is too thick =o:p>

We could glue a canvas but it will be more =xpensive.

I would like to know if it is a decor for a few months or =or a longer time ?

Antoine will see the house today, and he will also check =f he could paint on the mahogany without sanding all the wood as it =ill be much longer.

Thanks Jeffrey
