**Subject:** apartment in Sept?

Hi F! [REDACTED]  
Trust this finds you well. F, aren't you almost completely, totally free to go anywhere?!! YAY!!

I'm about to head to Aspen for the Ideas Festival. Doing a session on play. Will see Tom and Margot there.

SOLD my house. Moving to a rental when I return from Aspen. Psyched! Can go anywhere. Lock and go condo/rental. Easy. Then a transition elsewhere or long blocks of time in other places.... We'll see.

Writing more. Just wrote on conscious computing:

Wondering --  
if an apartment at 301 would be available from Sept. 14-18 or 19.  
If yes, I'd love to stay in one!

Thanks.

XOXOX
