Hi [REDACTED]  
Rug should be: 10 foot 6 X 13 feet.

Sorry I dont know if that is how you write it, I am not used to using feet as measurement. So I just wrote it exactly as they said it.

The 10 foot 6 side of the rug will be from the vanities to the shower/steam.

The 13 feet side of the rug will run from bath to glass doors.

Let me know if it doesnt make sense.
