I'm in montreal at the grand prix (an experience I shall not repeat). College friend's 50th bday. Returning later today. Very pedestrian experience. We sat in the bleachers, no fancy tents or cool pit passes or parties with hot women - just mingled w/ the masses. I have not enjoyed that part but it was fun being with these boys. I'll call from the airport as I await the arrival of my air canada flight back to the us.
