Thanks Jeff!

I'm planning to come down there in November--- will be back in touch next week with some dates. Is there somebody at your office that I could have my PA work with on this?

Looking forward,

B.

PS: Do you know Harvey Freidman? I was having dinner with him a few nights ago and thought that you might be interesting in talking with him about music and mathematics (his specialty; he also has an interesting background; youngest – ever professor, etc).
