His answer is unclear. He wants out and no longer wants to be in business with you. He also stated something about WARN Act and him not giving 30 days written notice to the staff. That reason makes little sense to me. I asked him why the rush, he said it is not a rush. You & he have been having a dispute for months. He would not elaborate.

I am doing this to help you & The Life Hotel. I have little to gain but I am willing and able to do it for at least 4 weeks.

David- I spoke to Hanson. Looks like we can put this together so we can open Monday morning and run it with the Chef for 4 weeks. There is a good amount of work me & my team need to do and there is obviously some risk for me. I am trusting you and Stephen and we will make it happen.

Geoffrey is being kept out of all of this.

Let me know if you are ok with all of this. Thank you

I am working on the needed document for someone to be the Restauraut Mgr with a SLA lawyer
- fill in the name is easy - will have this master doc for tomorrow
Your contract might not work but can review this at meeting
I need to finalize with. Mark if he can do this - waiting on his call
If a go then lots you think to do might not be needed for the next 4 weeks- so transition is much
easier - quicker - better for sales - easier for Marc to get going
But I need mark to Cfm with me first
