maybe its time that you and alan make a joint statement . that sex crimes are hideous there are real victims out there. false allegations harms both the falsely accused as well as future true victims whose traumatic stories will lose the benefit of the doubt. Since Ms [REDACTED] has detailed in minute detail her dinner with president clinton on Mr Epsteins island. giving details of who was at the table , what color hair they had, who sat where and how he arrived. (me flying him) . Emblematic of her rich fantasy life. I challenge the press, to act responsibly , dig into every nook and cranny,of ms roberts wholly fabricated clinton dinner story , and though ms roberts fails to give a date or even a year. ask her for one single shred of evidence or if she is unwilling to give it, . look into secret service records. local police records. witnesses etc. any confirmation that this woman is telling the truth and I am 100 per cent certain that she will finally be exposed .

your english guy that said he would quit unless you made a statement should pay your legal fees.
