Hi Richard,

With thanks for support from Mr Epstein we're pleased to report breaking news today that Hong Kong's largest ivory retailer, Chinese Arts & Craft, has stopped selling elephant ivory. The China government-owned chain, which operates four stores in Hong Kong, told Reuters that it now only sells mammoth ivory. WildAid consultants

visited the stores and confirmed that all elephant ivory has been removed from shelves, they are not mis-selling it as mammoth ivory, and is not for sale 'under the counter.'

Thanks again for your generous support to WildAid.
