About

"I Am Become Meme" is a quote spoken by [Elon Musk](#) during the Conservative Political Action Conference (CPAC) on February 20th, 2025. The statement is a reference to J. Robert Oppenheimer's memorable quote, "[Now I am become Death, the destroyer of worlds.](#)" Musk's quote went viral on social media shortly after Musk said it, with many finding it [cringeworthy](#). Musk's decision to go on stage in sunglasses, supposedly a reference to his [D.O.G.E.](#) AI avatar, also became the subject of [discourse](#) online, with some spreading unfounded rumors that he was high on drugs during the speech and covering his eyes.

Origin

On February 20th, 2025, Elon Musk spoke at CPAC 2025, largely about [D.O.G.E.](#) At the start of his appearance, Musk walked onto the stage in sunglasses and was handed a chainsaw, which he posed with before sitting down. About 01:30 into his appearance, Musk said, "I am become meme. Yeah. Pretty much. I'm just living the meme. There's living the dream and there's living the meme, that's pretty much what's happening, you know. DOGE started out as a meme. Think about it. And now, it's real. Isn't that crazy? But it's cool."

The speech was streamed on the NewsNation [YouTube](#)^[1] channel, garnering over 43,000 views in about a day.

Some people online observed that a year earlier, on February 19th, 2024, X^[2] user [@AdrianDittmann](#) also posted, "I am become meme." [Adrian Dittmann](#) has been theorized by many as being Elon Musk's alt or sock puppet account.
